

Praise God, from whom all goodness flows...

As I write this letter I am thinking about the Miramichi Presbyterial Fall Rally that I attended earlier today. The theme speaker for the rally was Julie Spence and she spoke about mental health awareness and the important role that awareness plays in all of our lives.

There are so many important things that happen every day in our lives that we can easily overlook. Unless we consciously focus on recognizing them and offering Thanksgiving we will miss an opportunity for valuable reflection.

People and life events play a significant role in our personal well-being. As we offer thanks for what we value in life we are able to build upon the valuable assets that we have as we live and have our being. In life we have the opportunity to offer thanks for the accomplishments of the past and we look forward to what is yet to be in the future. The reality is that life is lived in the present. The present moment that we experience in our lives is indeed a gift from God.

When we celebrate Thanksgiving we celebrate the fact that we have food to eat, places to live and important people to share our lives with. Living a life that is grounded in Thanksgiving has the power to change the quality of the experience that we have in daily living.

I remember one of the surprises I had when I first moved away from life on the farm to go to university in Charlottetown. I was in the city for a couple of weeks at this time of the year before I went home for a weekend visit. I remember all of the changes that were taking place in the farmers' fields; the crops were maturing and the harvest was beginning. When you live on the farm everything happens gradually right before your eyes; when you are away from daily contact with the world of nature a lot happens in a very short period of time. We are reminded that:

"Without the sunshine and the rain
we could not have the golden grain;
without God's love we'd not be fed, we thank God for our daily bread."

Please join us in worship on Thanksgiving Sunday on October 8th as our church family gathers to offer thanks to God for the life that we live and all of the blessings that we have received.

Have a happy Thanksgiving,

Rev. Blair Lewis

Plans are under way for the Beef BBQ to be held this week. There are still tickets available at the office.

Rev. Lewis reported on the upcoming changes to the United Church of Canada. Presbytery and Conference levels will be eliminated and replaced by a new regional form of government . These changes will come into effect on January 1st, 2019. Rev. Lewis also reported that the first block of Sunday School will take place from mid October until White Gift Sunday. He noted that Jennifer Oliver Lavigne deserved thanks for all the work she has put into the Sunday School over the last several years.

The finance Team of First United will be making an appeal for donations to help pay for this expense in order that church funds which are held in reserve are not depleted.

A manhole cover needed to be replaced and Gloucester Sealer and Asphalt replaced it free of charge as a donation to the church instead of charging the \$350 which had been quoted. A big thank you goes out to this company for its generosity.

Summer Pot Luck

A pot luck garden/carport luncheon was held after church on August 20th at the home of Bob and Judy Losier. The threat of rain kept numbers down but didn't dampen anyone's spirits.

The rain held off and the food was wonderful.

We hope that next year's event will be blessed with sunshine.

West Bathurst Cemetery Committee Report - 2017

The West Bathurst Cemetery Committee is responsible for the West Bathurst Cemetery on St. Anne Street and the St. Luke's "Old Scottish" Cemetery on St. Luke's Court.

As of September 18, 2017, the "Endowment Fund" balance is \$ 61, 700. We are thankful to everyone who continues to support this fund through PAR and donations.

A number of projects were completed in 2017 in addition to the excellent grounds maintenance of the two cemeteries by Shawn's Lawn's and Property Maintenance. This cost continues to rise each year so the depletion of the general fund is a concern for the committee. The straightening of many gravestones was carried out at St. Luke's "Old Scottish" Cemetery along with a general spring clean up of both cemeteries. Recently the records of the West Bathurst Cemetery were updated to include the names and dates on the headstones that were installed this year.

Community Outreach

The Community Outreach teams continues to offer support to those within the community who are in need. We often receive request for food and would like to thank the congregation for their generous contributions to our Outreach Pantry. Our peanut butter donations for the Volunteer Center are right on target for the year with 768 bottles being delivered so far. A Breakfast Program is in place for the students attending the Adult Learning program which is held in the Donald Eddy Memorial Hall. Hot and cold cereals, milk, juice and fruit is available for the students.

Financial Update

Operating results to August 31, 2017 are on budget. Roof shingles are being replaced at a cost of \$25,000. Payment will be made from the Repair Fund reserve.
